

Public Education

The Bureau is available for civic meetings and businesses to discuss and promote fire safety. The bureau also teaches at the various schools during Fire Prevention Week along with the local fire departments. Some of the many topics we can discuss with your group are as follows:

- [Fire Safety - 7 Steps](#)
- General Fire Safety
- Carbon Monoxide Emergencies
- Use of Fire Extinguishers
- Making Your House Safer

If you would like the bureau to speak at your meeting feel free to contact us at:

- (973) 691-0900 ext. 7326 - Fire Marshal
- (973) 691-0900 ext. 7305 - Fire Inspector
