

Morris County Hazard Mitigation Plan Community Survey

News Release Date
09-28-2023

Morris County is gathering information about local hazards in our community as a component of the Morris County Multi-Jurisdictional Multi-Hazard Mitigation Plan. Please scan the QR code or click on the link below to fill out a quick survey. The Mitigation Plan focuses on understanding the natural risks and hazards that threaten our community, identifies capabilities, and develops comprehensive strategies to minimize the risks from those hazards. Public participation and feedback is an important part of the planning process. All information collected from the survey will be anonymous. Please [complete the survey](#) by Friday, October 13.
